5. GENERAL ASSISTANCE:

a. A procedure for the painting of the interiors of the [redacted] Housing was prepared by the writer and approved by the Administrative Officer.

*Good*

b. Due to the type and extent of [redacted] facilities, the limitation imposed by [redacted] on annual expenditure for repairs, alterations and minor new construction without prior Headquarters' approval was proving an administrative handicap. Assistance was given in the preparation of a dispatch to Headquarters requesting that the limit [redacted] on a single project be raised to [redacted] and the total annual limitation for the installation be raised to [redacted] without prior approval by higher authority.

*Assured  
prepared  
on this*

6. NECESSARY REPAIRS AND ALTERATIONS:

a. [redacted] the cement sinks in the kitchens [redacted] area have badly cracked and deteriorated constituting a health hazard. The [redacted] terrazzo, which is not expensive and is of good quality, was recommended. Headquarters has been asked to approve [redacted] for this work. The writer concurs in the necessity.
